*Making a world of difference*

# From the Governor

Dear Washington State employees and retirees:

As Governor and as Chair of the Combined Fund Drive (CFD), I am delighted and honored to kick off the 22<sup>nd</sup> annual CFD Campaign.

Public employees work tremendously hard to make Washington a great state in which to live and work. When we give to charities through the CFD, we send a powerful message to the people of Washington and the rest of America. In addition to being dedicated public servants, we care deeply about our communities, our state, and our world.

In 2005 alone, more than 21,000 public employees and retirees in Washington pledged in excess of \$5.6 million to some 2,100 charities. And since the CFD's inception in 1984, Washington participants have pledged more than *\$74 million* to charity through the payroll deduction program.

Governor Christine Gregoire

This wonderful outpouring of generosity has strengthened communities throughout our state and across the globe. It also has garnered national attention. The Washington CFD campaign is ranked first in the nation for states of a comparable size, and fourth among all states in the union. This speaks volumes about the heart of caring that exists in Washington!

Even small donations can make a profound difference. For the price of a latte, five warm meals a month can be delivered to an elderly homebound neighbor. A mere ten dollars a month provides crisis services for six victims of sexual assault. And other modest donations have supported homeless shelters, the arts, the environment, youth programs, medical research, and other worthwhile endeavors. While small monthly gifts can go a long way, bigger donations can solve bigger problems. So this year, let's aim higher! A ten percent increase in participants, giving an average of just \$11 a pay period, will raise more than \$6.5 million for charities.

Please keep in mind that charities especially appreciate receiving regularly scheduled contributions – of any amount – through the CFD payroll deduction program. These gifts lower their administrative costs and greatly aid in budget planning.

Donating to your favorite charity has never been easier. Through the CFD website at [www.cfd.wa.gov](http://www.cfd.wa.gov), you can explore more than 2,000 charities, make pledges online, review your contribution history, and change your giving instructions at any time. This safe, convenient, and efficient system is a great way to support the causes in which you believe.

I hope you share my excitement about this year's Combined Fund Drive. Together, we truly can make a world of difference!

Sincerely,

A handwritten signature in cursive script that reads "Christine Gregoire". The signature is written in dark ink and is positioned above the printed name and title of the Governor.

# History and Campaign Overview

Created in 1984, the Combined Fund Drive consolidated numerous charitable fund raising campaigns held at state work sites. The idea was to increase the efficiency and impact of charitable giving for both the donor and charity. One way the CFD facilitates this is by providing the option of payroll deduction as a way to donate to your favorite charity. As a result, in over 20 years the CFD has distributed over \$74 million to charities.

Today the CFD reaches out to all Washington public employees and retirees. Over 21,000 participants annually contribute over \$5.6 million dollars to charities in areas including: health and human services, the environment, education, and the arts.

The CFD campaign provides a simple, secure, and convenient way to give, offering access to over 2,000 charities to donate to. Your confidential and tax deductible donations can be made through payroll deduction or with a personal check. Additionally, there are more than 3,500 volunteers, leaders, and coordinators who are available to serve you during the annual campaign.

## *How the campaign works*

- An annual campaign is conducted from September thru December.
- Each employee is provided the opportunity to donate to the charity of his/her choice.
- Donations can be made online at [www.cfd.wa.gov](http://www.cfd.wa.gov) or by filling out a paper contribution form.
- Donations made by check are immediately processed, while payroll deductions, including one-time deductions, are processed in January following the campaign.
- Donations are disbursed to the charities on a quarterly basis. Interest earned at the State Treasury is added to the charity disbursements.
- Charities will receive your name and address to thank you for your donation, unless you specifically request anonymity. Charities understand that further solicitation is not permitted.
- All donations are tax deductible.

# Commonly asked Questions with Answers

## *Q. Why have a CFD?*

A. Created in 1984 to provide a more coordinated approach to state charity activities, the Combined Fund Drive consolidated numerous charitable fund raising campaigns held at separate state work sites. This has increased the efficiency of charitable giving and has been more beneficial for charities compared to an uncoordinated giving approach.

## *Q. How can I give?*

A. **Monthly payroll deduction.** This is the easiest and best way to give. Your contribution is deducted from each payroll or pension check during the calendar months of January through December. **One-time payroll deduction.** This deduction will be taken from your first check in January. **Personal check.** Checks may be written to individual charities or to the CFD. **Volunteer:** Help with the CFD campaign and give time to any charity.

## *Q. How do I find more information about the CFD campaign or my personal contribution?*

A. You can always phone the CFD office at (360) 664-1995 or email us at [cfid@dop.wa.gov](mailto:cfid@dop.wa.gov). Our web address is [www.cfd.wa.gov](http://www.cfd.wa.gov) and the mailing address is PO Box 47530, Olympia, WA 98504-7530. We will be glad to provide the information you need.

## *Q. Can I give to any charity I want, even if the charity is not listed in the Guide?*

A. Yes! Writing in a charity that is not presently listed in the guide is acceptable. Please completely fill out all required fields either online (in the GivingStation) or on the contribution form and submit your request.

## *Q. Where are funds distributed?*

A. Your donation goes where you have designated it to go. All non-specified contributions are distributed to CFD charities based on the charity's pledge percentage of the campaign. (For example, if AA charity receives 10% of all contributions, AA would receive 10% of the non-specified contribution.)

## *Q. Are donations kept confidential?*

A. Upon request your information will be kept confidential. Otherwise the CFD will send your name to the charities you specified to allow them the opportunity to acknowledge you for your pledge.

## *Q. What is the "%" number in the charity listing?*

A. The number represents the percentage of administrative cost reported by the charity in their financial reports to the government.

## *Q. Can I continue to give through the CFD upon retirement?*

A. Yes! Retirees can give through the CFD by deduction from their retirement check. For more information please contact the CFD office at 888-353-9396 or 360 664-1995. You can also email any of the CFD staff at [cfid@dop.wa.gov](mailto:cfid@dop.wa.gov) or visit our website [www.cfd.wa.gov](http://www.cfd.wa.gov).

## *Q. Can credit card, bequests, will gifts, endowments and beneficiaries of life insurance be included as donations through the CFD?*

A. No. These options are being researched but are not presently available.

## *Q. Can I make a donation in memory of a loved one?*

A. Yes! This can easily be done while making your donation through our online GivingStation.

# About Participating Charities

Every charity that participates in the Combined Fund Drive has gone through a screening process. This ensures that your donations go to registered charities with a proven track record. The charities in the CFD campaign provide critical services in a wide range of areas. Below you will find a list areas of service to help guide you while searching for your favorite charity.

Animals and The Environment	Health and Health Research
Arts, Culture and Humanities	Housing and Homelessness
Children, Youth and Family Services	Human Services
Disaster Relief and Emergency Services	Hunger and Food Distribution
Education and Literacy	International Relief and Development
Federation Partners	Senior Centers and Services

## *ADDITIONAL COMMONLY ASKED QUESTIONS*

### *What is a federation?*

- A federation is a voluntary non-profit organization established to supply fundraising, administrative and management services to its members.
- A charity may choose to join a federation to receive greater name recognition, better financial/ organizational support and to work with similar charities focusing on the same cause. Federations may collect an administrative fee from its members for providing this assistance.

### *What is an administrative cost?*

- Administrative costs are expenses that are not directly used for service delivery.
- Expenses include rent, utilities, audits, insurance, and equipment.
- These expenses are needed to assure the charity can provide the direct service.

### *What is the value of payroll deduction?*

- Charities confirm that payroll deduction is the best way to make a donation.
- Overhead costs increase when charities process many individual checks. Thus, payroll deduction decreases administrative costs which means more of your donation will be used to fulfill your charity's mission.
